The day will include two masterclasses and one promising student from each class will be chosen to play in the afternoon concert. Students wishing to perform must be at the level of Grade 7 or above and the classes will include hints on college entrance. Before applying, you should seek permission from your flute teacher and ask them to sign the form below. Please state the piece you would like to play, maximum length 5 minutes. Places to perform in the masterclass are limited to 10 overall and will be allocated on a first-come-first-served basis. Early booking is advised to avoid disappointment. A full refund will be given in the unlikely event that we are unable to offer an applicant the opportunity to perform in the masterclass. The event is kindly sponsored by Jonathan Myall Music and there will be a flute shop at the event for browsing and buying.

Flutewise event for younger players

Running alongside in the afternoon will be a Flutewise afternoon event for younger players of any grade with the option to attend the concert afterwards. See Flutewise website for details. [www.flutewise.com](http://www.flutewise.com)
