Wonderful Winds

Flute Days!

Joss Campbell & Mel Orriss have amassed some fifty years of flute teaching and flute choir coaching between them, working with players of all ages and abilities across the UK and abroad. They share a kindred love for all things 'flute' and their enthusiastic, like-minded approach will guarantee a lively, inspiring, weekend of music-making.

Just Flutes, Europe's biggest flute shop, will be joining us with their stand full of instruments, music, accessories and other goodies!

Wonderful Winds will also have their full range of 250+ flute pieces and books for sale on their trade stand.

- ***Warm-ups** – Get your flute bodies and minds ready for the day!
- ***Sound workshop** – Find your best possible sound; work on posture and breathing using music specifically designed for playing together.
- ***Meet the big flutes!** – An opportunity to try out the larger instruments of the flute family! Joss and Mel will be on hand to help you find a sound and get comfortable.
- ***Massed flute choir** – music will be distributed in advance so that you can prepare some of the repertoire to be covered.
- ***Chamber music coaching** – a chance to work in small groups with your chosen music, on the day, from the Wonderful Winds library.
- ***Informal concert** – each day will culminate in an informal concert where friends, family and the other players can enjoy the fruits of your labours!
