

Philomel Music Academy

Residential Music Course

10th to 16th July 2022

for Piano, Voice, Wind & String students
aged 8-18 of ABRSM Grade 3 and above

Learn with Professional Musicians

So much more than just a music course, the Philomel Music Academy offers a unique opportunity to learn with a team of internationally-renowned performers and inspirational teachers. Be immersed in a week of wide-ranging musical activities, masterclasses and experiences, designed to enhance and improve all aspect of musicianship.

Our goals are to inspire young musicians beyond their solo playing and connect them with like-minded peers, to help participants overcome their musical challenges and to share our love and appreciation of music and performing.

The Philomel Music Academy takes place each year at the world-famous Harrow School in London. Please contact us to book your place or for further information. We look forward to hearing from you!

"I am incredibly proud of the warm, family-like, non-competitive atmosphere we have created on our course. All our pupils play chamber music together and help each other with their practice - a fantastic ice-breaker and a wonderful way to make life-long friends."

Pavel Timofeyevsky
Founder & Artistic Director, Philomel Music Academy

Programme

Our daily schedule runs from breakfast until dinner, creating a fun and immersive experience full of energy and dynamism. The tuition covers a wide range of content that includes:

- individual lessons on solo repertoire
- chamber music
- improvisation classes
- daily choir
- ear training and theory lessons
- group sessions on improving focus in practice and achieving better results
- classes on developing a healthy technique, sound production and good posture
- fun and challenging rhythm classes
- engaging and informative music history lessons
- yoga, breathing and movement exercises specifically adapted to young musicians
- guest masterclasses from visiting professors
- end-of-course concert, to which parents are invited

Fun, games and cake

To enhance our musical learning, we run a complement of co-curricular activities, carefully devised to keep everyone happy, engaged and active, whilst helping to forge life-long friendships with fellow musicians.

Activities typically include:

- swimming
- tennis
- games
- film & quiz nights
- musical cakes (a long-standing tradition) and more!!!
