Versatile steel orchestra music stand. Robust plastic connectors. The music desk is removed and attached easily by its user-friendly and practical quick release mechanism. A large wing nut makes it easy to adjust the angle. The music desk and height is adjusted infinitely variable by a non-marring sleeve that protects the surface. Thanks to the slots and the adjustable clamping bolts with rubber caps, the music stand can also be used as a tablet holder. To secure the tablet, the clamping bolts are pressed against the tablet and fixed with the integrated knurled screws.
